OFFICE OF THE CLERK

US District Court of NEBo
- Pm SE -

I Filed one case, that had many pages to it, 14 pages to be exact on July 11th, 2025 I sent them out of my cell on H-unit secure mental health, of R.Fo Gallery cell #8 at Approx. 6:30 PM in the evening to an officer Garcia, a corporal doing rounds who confirmed verbally by mouth on July 11th, 2025 he placed them into the mail box a secure box. That holds out going mail. This case is separated in 2 envelopes as 1 filing. Pages 1-8 and pages 9-14. It revolves racial Jewish discrimination. If you only receive 1 of the 2 envelopes be understood that one was stolen then. That it was most likely Ben Grant Jensen who did it. He has been focused on me for weeks. I want you to please investigate him specifically and send him to prison for mail theft, and fraud. He believes he is above the federal Government; he is a liar and a racist man. Thank you. Both legal letters were sealed too before I sent them out of my cell.

in forma pauperis, pro se

legitimate. This case is a

42 USC 1983 claim.

It can not be complete without both 1-8 and 9-14.
